

Year 3 - Autumn 2 Medium Plan

<u>Autumn 2</u>	<u>Week 1</u>	<u>Week 2</u>	<u>Week 3</u>	<u>Week 4</u>
	<p>Multiplication / Division Concept - focus week on Times Tables learning</p> <ul style="list-style-type: none"> Recall 2, 5, 10 times tables Teach multiplication facts for the 4 and 8 multiplication tables Investigate what multiplication is - arrays 	<p>Multiplication</p> <ul style="list-style-type: none"> recall 3, 4 and 8 multiplication tables mental multiplication using arrays and times table knowledge, progressing to using formal written methods solve problems, including missing number problems, involving multiplication 	<p>Division</p> <ul style="list-style-type: none"> 3, 4 and 8 multiplication tables mental division using arrays and times table knowledge, progressing to using formal written methods solve problems, including missing number problems, involving division 	<p>ASSESSMENT WEEK</p> <p>Multiplication / division</p> <ul style="list-style-type: none"> recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables mental multiplication/division using arrays and times table knowledge, progressing to using formal written methods solve problems, including missing number problems, involving division/multiplication
	<p><u>Revisit Focus:</u> Addition and subtraction</p>	<p><u>Revisit Focus:</u> Addition and subtraction</p>	<p><u>Revisit Focus:</u> Addition and subtraction</p>	<p><u>Revisit Focus:</u> Addition and subtraction</p>
<u>Autumn 2</u>	<u>Week 5</u>	<u>Week 6</u>	<u>Week 7</u>	
	<p>Fractions</p> <ul style="list-style-type: none"> Counting up and down in tenths Understand the part whole concept. What is a fraction? Identifying fractions of shape and a group of objects Which fraction (same denominator) is bigger? (through pictures) - same denominator / how much more to make the whole Adding, subtracting same denominator (within one whole) Adding, subtracting same denominator (within one whole) 	<p>Fractions</p> <ul style="list-style-type: none"> Counting up and down in tenths Find fractions of number - using tenths, fifths, halves, quarters, thirds and eighths 	<p><u>Pictograms and Tables</u></p> <ul style="list-style-type: none"> interpret and present data using bar charts, pictograms and tables solve questions using information presented in scaled bar charts and pictograms and tables.
