## Teaching and Learning Newsletter

‘Believe you can and you’re halfway there.’ (Theodore Roosevelt)

It is a very busy time of year in school and the children have been making us feel really proud of all they have achieved this half term. From year group performances showcasing all the talent we have in school to fantastic work in the classroom, it has been a wonderful end to 2018.

In this issue of INSPIRE, I would like to share with you some details about our updated website. There is lots of useful information available for parents and whilst this is being added to all the time, there is a great deal that is ready for you to access and so I will share this with you and how to find it.

We would like to take this opportunity to thank you for your ongoing support and to wish you a very happy new year.

G.French (Director of Coaching and Teaching)
