

KS2 SATs Outcomes 2018

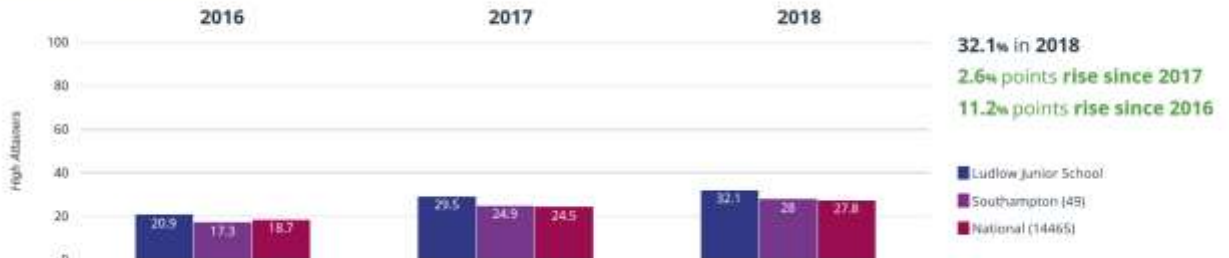

These tables show the SATs results at the end of the academic year 2017/18 for our school, compared to Local Authority Schools and other schools nationally.

Each figure is given as a percentage of children achieving the expected standard at the end of Year 6 and then the percentage of higher attaining pupils. There are results shown for Reading, Writing, Maths and GPS (Grammar, Punctuation and Spelling), as well data showing the percentage of pupils who achieved the expected standard in all of these subjects combined.
