Hi Everybody!

I've been really busy at school since we have started the Spring term!

The learning mentors held meetings for their RAMPees and it was lovely to hear from the Playground Pals and Sports Leaders about all the nice things happening outside. I don't go outside at playtimes because everyone is having such a good time that it is a bit too loud for me. I like to hear about how much fun my friends are having. Sports Leaders tell me that football is a bit different outside now the MUGA is closed but they are still managing to share and play nicely.

The CFK crew like to say hello to me when they sign up for their job. They are so helpful! I'm still trying to persuade them to sneak me into the hall for a school dinner!

Site Squad have been working so hard sorting out the lost property! My friends are very good at losing things but if it has their name in Miss Lovland sometimes takes me to return it to them. I'm looking forward to some better weather so we can do some gardening together.

I have been seeing Jack every break time who is nervous around dogs. Jack didn't like being in a room with me but I've shown him that most dogs are kind like me! Now we are really good friends and he gives me cuddles.

I also spend time with Ms Locke who is our school Wellbeing Leader. I like to be in Ms Locke's room when she sees children and we talk about how things are going. Sometimes it's funny and we laugh together. I like to see my friends smiling and happy.

Enjoy your weekend everyone I'm looking forward to a nice long walk!
