Hi Everybody!

Hope you had a brilliant half term! I really enjoyed the sunny weather and went for lots of nice walks.

I saw Miss Lovland and Buddy and we had a great time playing together at the park! There was lots of mud everywhere, we jumped in puddles and when Buddy lost his ball in the stream I went in and rescued it for him. I think we both slept well that afternoon I was soooooo tired!!

At home my cat brother Dodger is poorly and has had an operation at the vet hospital. I am trying my best to be kind to him so he recovers quickly. He needs plenty of rest so I need to be calm when I'm around him which is hard because I just want to play!

Get better soon Dodger!

Before we broke up for half term I have been going into year 6 to work in the classroom. It's so nice to see the children all writing and hear their amazing ideas! I found it quite strange at first because I am not used to it but the more I go in the more comfortable I become.

I'm hoping to visit more classrooms!
