

Hamish's Blog

Hi Everybody!

Wow! It has been a very busy half term! I went to the groomers to prepare myself for the school photographs!

What do you think?

I'm really pleased with my new look!

Ludlow Junior has a garden! Wow! Real grass! Have you spent any time in there yet? It's so calm and beautiful. I like to sit out there with my friends so I wish it would stop raining!

I have been learning lots in Maths recently! Thank you Mr Palmer for letting me work in your classroom! I am practising my 6 times tables at the moment! How many times tables do you know?

I can reveal that Year 5 have chosen a brand new set of Hamish Newshounds to work with me! You'll have to wait until next half term to see what we are up to though! It's very exciting!

Coming
Soon!

Don't forget! It is my 5th birthday in November so I am looking forward to celebrating with you all! You will receive information about how to celebrate with me very soon!

Have a fantastic half term!
