

# Hamish's Blog

Hi Everybody!

I've decided I would like a spot on Ludlow's website so I can tell you all about what I've been doing! I hope you all had a great time during the Christmas holidays. I had so much fun but I couldn't wait to come back to school to see all my friends.

I was obviously a really good boy last year because when Santa came he left me a cuddly toy and lots of treats! I absolutely love opening presents as you probably already know!

I also went on winter walks to Lee on Solent and Bolton's Bench. Miss Locke took me to Riverside park too and we had a lovely time together. When we were there we bumped into Mrs Howells who was really pleased to see me. If you ever see me out and about don't forget to come and say hello!

To get myself ready for the new year and the new term I went to the groomers to fluff myself up a bit. It's not my favourite place to go but I do feel good now I'm all clean and smart! Did you come back to school with a new haircut too?
