

On Friday the 9<sup>th</sup> of December 2016 we, the Hamish news hounds, Alfie, Daniel, Freddie and Sophia, and two Year 6 pupils, Holly and Chloe went to the Second Chance animal shelter to give them the presents that all of YOU gave them. We donated the gifts to celebrate Hamish's second birthday because we thought it would be nice to give to animals that don't have much, something to make them as happy as Hamish.

If we had to rate the animal shelter out of ten we would give them a ten for absolutely everything. The amount of effort and care they put into looking after the animals is unbelievable. Because of this, we want everyone who reads this to support Second Chance as much as they can, also if you want a pet, you will know the perfect place to find them!

When we were at Second Chance animal shelter we had a tour, which included seeing the cats, dogs, rats, fish and an enormous rabbit! We admit that while we were there, we named six cats, three dogs and two rats. We were accompanied by Miss Cross and Miss Garner and Miss Locke to deliver the gifts to the animals. We also would like you to know you can help them out a bit by walking their dogs when possible and generally being as supportive as you can.

We had so much fun and would like to thank Miss Cross, Miss Garner and Miss Locke for taking us on such an amazing trip! If you would like to have as much fun as we did, Second Chance have open days that *anyone* can go too!

One of our favourite moments was seeing the cat room as it was exciting to be surrounded by cuddly animals roaming free. We would like to thank you for your donations the food and toys will last the animals for months on end! Just think how full the donation shed will be now!"

Because of all of your wonderful donations, the animals will have a better life and will have full tummies! Second Chance thought all your gifts were wonderful and would like to say a big thank you to you all !,

Daniel, Freddie, Sophia and Alfie (year 5 pupils)
