Sports and hobbies

PSHE

Stereotypes

P.E

Cricket
African Dance

DT

Electric systems–
fairgrounds

Fun activities to try at home

Y6 SATs

On Monday 9th May – Thursday 12th May, the year 6 children will be completing their KS2 SATs.

What could you do at home to support your child?
Complete the SATs packs sent out at the end of the Spring term.

Use their CGP revision books to recap areas they find tricky

And let's not forget the important things– relax and rebalance!

Take walks or cycles around the area.

Read, do puzzles, draw, make, bake...

Geography– Africa and its landscapes

Here are some ideas of activities children may like to try at home to further develop their learning of the landscapes of Africa.

You could try:

- Research an African desert and an African rainforest and make a comparison poster.
- How many countries in Africa can you name? Can you put them into alphabetical order? Which countries are located along the equator? What are the differences between these countries and those in the north of the continent?
